

# SFRM Candidate Campaign Statements for Member-at-Large

## ERIC EICHORN, Incumbent Candidate, SFRM ExComm Member-at-Large

I am running for re-election to the office of Member-at-Large of the SFRM ExComm. I joined Mensa in 2009 and have been serving in this office since May 2011. For about the same period I have also served as the Calendar Editor for the SFRM *Intelligencer*. I have been on the committees that planned and executed each of our Regional Gatherings since 2011; I chaired the 2012 and 2013 RGs, am co-chairing the one underway for this year, and was Registrar for the remainder of them. I network with members of other local groups in my frequent travels to other groups' RGs, where I usually take volunteer shifts. My experience with the workings of SFRM and my contacts in Mensa well qualify me to participate in the management of SFRM's ongoing business affairs as part of the ExComm. Please allow me to continue to serve in this capacity.

## ANDY HENDRICKSON, Candidate, SFRM ExComm Member-at-Large

## LANA LEE, Candidate, SFRM ExComm Member-at-Large

As a Gen Xer with both an arts and techie background, I like to think that I'll be a useful member of the Ex-Comm in planning events that will entice the full range of Mensans to help keep our our chapter strong. And as the current webmaster, I see lots of potential for using the website better to improve communications and, in general, bring more joy to the members. One of my proudest achievements as webmaster was giving our website a makeover. I upgraded it to a mobile-friendly design so people can conveniently browse the calendar and register for events like our annual regional gatherings and our Bay Cruise. As a member-at-large, one of my primary goals would be to use the website to promote events, spotlight local members, share *Intelligencer* highlights and more. Not only would this encourage new members to begin participating, but also nudge veteran members to try something new and showcase our activities to others. Currently, I work closely with several Ex-Comm and RG committee members during my webmaster tenure and hope to continue my time of service for SFRM as a member-at large. Thank you for your consideration.

## MEGAN THOMAS, Candidate, SFRM ExComm Member-at-Large

I've been a Mensan for 20 years across 4 different local groups in 3 different regions. I've served on the Executive Committee, including one term as Assistant LocSec and one as LocSec, of Western Pennsylvania Mensa. I chaired Mind Games when it was held in Pittsburgh and was instrumental in our local group's successful bid. After a few years of reduced Mensa activity, I'm ready to get back into serving the group that has given me so much.
